## CONVOCATIONGRAMS

The Mid-Winter Convocation Week is a new venture at the Seminary. Its aim is to place at the disposal of pastors and others interested, the facilities of the Seminary and the services of leading scholars in our own synod and sister synods for a week of intellectual and spiritual stimulation and refreshment. What is your reaction? Hand a written statement to the President before you leave or send him a note after you get back home. The continuance of this Seminary feature is contingent upon the success of the present experiment.
