Director of Continuing Education

Chapel of the Incarnation

Luther Northwestern
Theological Seminary
St. Paul, Minn.

Peter A. Sethre

Peter A. Sethre began his work as director of continuing education at Luther Northwestern late last summer. He is not new to the field.

Prior to his move to Luther Northwestern, he had directed L'Chaim, the Iowa Center for Theology and Life. Founded by Sethre in 1983, L'Chaim is a center for continuing theological education for the Northeastern, Southeastern and Western Iowa Synods of the Evangelical Lutheran Church in America.

During the same period he was also coordinator for continuing education at Wartburg Theological Seminary in Dubuque, Iowa. He also taught courses in religion at Wartburg College in Waverly, Iowa, in 1984 through 1986. Prior to his continuing education work in Iowa, Sethre had been pastor of congregations in Worland and Powell, Wyo., and Missoula, Mont.

A graduate of St. Olaf College, he earned the bachelor of divinity degree from Luther Theological Seminary in 1965 and the master of theology degree from Union Theological Seminary in Richmond, Va., in 1966.

He has been a frequent writer of curriculum material on the prophets and apocalyptic writing. Through L'Chaim Center, Sethre also led study trips for clergy and laity to Israel, Jordan, Turkey, Greece, Egypt and Mexico.

When Sethre accepted the position at Luther Northwestern he said, "I plan to enrich ministry in the life of the church through the offering of stimulating events in continuing education. Biblical study will be a key part of clergy and in the lay school of theology. Biblical study is where my passion is."

Nancy Maeker

Nancy Maeker, who began her work at Luther Northwestern as the new dean of students last summer, had been pastor of Faith Community Lutheran Church in Dallas, Texas, a cross-cultural congregation she helped to develop in 1984.

Earlier, she was an elementary school music teacher in Texas, Illinois and Washington and also taught a Head Start program for five years.

Maeker holds the bachelor of arts degree from Texas Lutheran College, earned the master of music degree from the University of Texas, and received the master of divinity degree from Wartburg Seminary prior to ordination in 1984.

DIALOG

The people who walked in darkness
have seen a great light.

**The light shines in the darkness
and the darkness has not overcome it.**

Those who dwell in the land of deep darkness,
on them has light shined.

**We have beheld Christ's glory,
glory as of the only Son from the Father.**

For to us a child is born,
to us a Son is given.

**In him was life,
and the life was the light for us all.**

The Faithfulness in Ministry Cross

The Faithfulness in Ministry Cross was established in 1991 by the Luther Northwestern Alumni/ae Council to "identify, recognize, celebrate, and give thanks for alumni, both clergy and lay, who have lived lives of faithfulness in ministry."

The recognition is a miniature replica of the large Celtic cross shipped from Norway and placed in front of the entrance of Bockman Hall in 1956. A gift from the Young Peoples Society of Nordfjord, Norway, the cross is a replica of what is thought to be the first Christian symbol in Scandinavia, dating from 1000 A.D.

The cross is placed in a specially designed, enclosed cherry wood shadow box with an appropriate inscription inside the right door.

The cross is pictured on the program cover. The Greek inscription on the left arm stands for "Jesus: the Beginning, the End," and the Latin inscription on the right means: "The Word of God remains forever." The Greek symbols at the top are translated, "Christ the light." The circle in the center and the half circles where the arms of the cross join together are symbolic of the wounds of Christ.

The three persons honored at the banquet tonight are the first to receive the annual recognition which is limited to no more than one alumni in each of three categories: 1) parish ministry: urban/suburban; 2) parish ministry: rural/small town; 3) specialized ministry (including education).

Candidates for the Faithfulness in Ministry Cross must: be alumni of Luther Northwestern or its antecedent schools; have demonstrated exemplary faithfulness and service in ministry; and be nominated by fellow alumni or other colleagues. No member of the Luther Northwestern faculty or staff is eligible for the recognition.

Tonight's honorees do not include anyone in the rural/small town category because of the limited number of qualified nominations offered for the selection committee in that area. However, the immigrant pastor responsible for the presence of the Celtic cross on the Luther campus is being recognized posthumously.

Nominations of candidates for the Faithfulness in Ministry Cross will be accepted anytime in the Office of Public Relations at Luther Northwestern. Each nomination must include the name and current address of the candidate, an indication of the category for which the person is being nominated, a brief statement outlining the candidate's qualifications, and the names and addresses of three persons who concur in the nomination. Annual cut-off date for nominations to be considered by that year's selection committee is Aug. 1.

The selection committee consists of two members of the Luther Northwestern faculty, four members of the Alumni/ae Council, and one member of the Luther Northwestern administrative staff.

The Faithfulness in Ministry Cross Recipients, 1991-92

Bernt M. Hofrenning, '13

Special Recognition

The presence of the Celtic cross on the Luther Northwestern campus is due largely to the untiring efforts of Bernt M. Hofrenning, who conceived the idea, researched the possibility, and wrote countless letters to people in his home town of Nordfjord, Norway, to create interest in and find the funds for the project.

The original ancient cross stands at the church where Hofrenning was baptized and confirmed. He immigrated to the United States in 1905 and was graduated with distinction in 1913 from the Norwegian Synod seminary which was one of the antecedents of Luther Northwestern.

He served faithfully in congregations in Max, Benedict, Maddock and Harvey, N.D., North Battleford, Sask., and Pinecreek, Minn., from 1913 through 1944. He was then field representative at Bethany Rest Home in Fargo, N.D., before serving as chaplain there from 1951-58. Hofrenning died in 1961.

Accepting the Faithfulness in Ministry Cross on behalf of the family is James B. Hofrenning, '53, professor of religion at Concordia College, Moorhead, Minn.

Arthur Bagaason, '51
Urban/Suburban Ministry

Arthur Bagaason, now retired and living in Northfield, Minn., is known by associates as an exemplar in helping a multiple-staff ministry work cohesively and faithfully as a team.

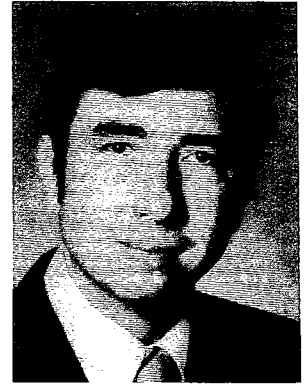

One said, "Art always worked hard and faithfully, always putting the needs of his parish ahead of his own, always ministering with integrity and faithful to the gospel in his proclamation."

Another wrote: "He went beyond human reactions in difficult situations and patiently heard the circumstances before making judgments. When the city of Rochester was flooded in 1978, he worked with a priest in a Roman Catholic parish to set up a support/assistance group for victims. He showed a deep and genuine concern for members in all areas of their lives. He had the unique talent of getting people to respond willingly in helpful ways."

Bagaason began his ministry as assistant pastor at Lake Nokomis in Minneapolis following graduation from Luther Theological Seminary in 1951. He then served two congregations in Bricelyn, Minn., before becoming senior pastor of Trinity Lutheran Church in Owatonna, Minn. He accepted the call to Bethel Lutheran in Rochester, Minn., in 1973, and served there until his retirement in 1986.

Bagaason's bishop said: "I have always admired Art for his pastoral skills. He was able to lead his congregation into and through some difficult decisions regarding social ministry, team ministry and growth. All of his leadership ability was built on his pastoral heart."

Norbert Mokros, '64
Specialized Ministry

Norbert Mokros saw the need in 1969 for a special ministry to seafarers visiting Duluth and has been working faithfully to fill that void with the Twin Ports Ministry to Seafarers, Inc., ever since.

His ministry began at Concordia Lutheran Church in Duluth shortly after his graduation from Northwestern Lutheran Theological Seminary and subsequent ordination in the Minnesota Synod - Lutheran Church in America in 1964. A strike in the port of Duluth/Superior had idled hundreds of domestic and foreign seafarers for six weeks. He could relate to the situation. Born in Magschutz, Germany, he had himself been a seaman for the Holland America Line on the North Atlantic. Since no local agency existed in Duluth/Superior, Mokros organized a volunteer effort to help the stranded seafarers.

Two years later he returned to Germany at the invitation of Bishop Hanns Lilje to be pastor of St. Cyriaci Kirche, Osterode-Dorste (Harz) and was able to spend time researching the field of seafarer's ministry. Work in the German Seaman's Mission at the Port of Bremen helped him understand the administrative and pastoral dimensions of that agency.

When he returned to Duluth in 1968, Mokros promoted the establishment of an ecumenical ministry to seafarers there. Twin Ports Ministry to Seafarers, Inc., was established in 1969 and is now being supported by 11 denominations.

The ministry relates to the personal, spiritual, social and intellectual needs of seafarers and family members not only in Duluth, where it maintains a visitor's center, but also in other ports on the North Shore of Lake Superior. Some 50 volunteers now work faithfully in this special ministry in addition to the regular staff members.
